Event Speaker, **Sandra VanSickle**, will cover the benefits of integrating the many layers of Google into your business.

If you think Google+ is just another Social Media Platform, think again!

Join us, and discover....

- **Google+** - The steps you will need to take to get started, manage your page, circles, hashtags, and much more.
- **Google Apps** - Collaborating in real time, across different devices and locations. Google Docs, Google Drive, Google Calendar...
- **Hangouts on Air** - Broadcasting live will change the way you reach out and engage with others.
- **Watch a Live Hangout** - Hear testimonials from special guests on how they are using this *free* tool to build their brand.

A Whole New Way of Doing Business

Sandra VanSickle is an ardent entrepreneur, and continuing education instructor, with nearly 40 years of experience in the window fashion industry. As a life-long learner, Sandra's newest "passions" are technology and social media. She is always seeking new methods, platforms, and technologies that help foster efficiency, visibility, and growth for small businesses.

She is the proud owner of **Sew What's New**, a wholesale custom home furnishings workroom, **Cuddlebugs-n-Cocoons**, an online, retail business, and **NewTech-Style**, her online Technology presence. She currently serves as Vice President in the local WCAA Triangle Chapter.
